Whimsical doctor Imsical went out to fly a kite with
Timmy and Tommy and Tammy and Teri
on a Saturday night
now doesn't it seem strange to you to fly a kite
at nighth but whimsical Dr. Imsical never does things right

Oh she never toasts her toast and she boasts she never boasts
and the oter day I heard her say "spragalag a froast"
when I politely asked her to tell me what that means
Whimsical Dr. Imsical said "bragadocious freems"

From the file of Dr. Imsiacal in the town of Liplabay
is a story so unusual they still talk of it today
It started with the Ferguson girls and spread to Bryce Ray
then Linda, Lori, Lisa, Joe, Kevin, Mike and Jay

Now dainty Mrs. Ferguson is Known to have a eye for Illness
of the childhood kind of this no one denies
she thought her daughters where acting strange and asked them all
to talk
her suspicions where confirmed righth away when the girls said
"Bawk bawk bawk"
Mrs. Ferguson the good Dr. Doctor Imsical you may know may be
whimsical and fancy free but the patients love her so
Dr. Imsical broke the news saying "Do not take this hard, but; the
best thing you can do is to put them in the yard.

"They'll scratch for worms and peck for corn and strut as chickens
do. And when the sun comes up they'll cluck Cockadoodledo."
The Mayor the dentist the fireman they all heard the same
Chickenpoxinitus they are saying is to blame.
The whole blocks got chickenpoxinitus Dr. Imsical whats your cure
I've been working in my laboratory and I think I've got the answer
but I'm not sure

So All the chicken kiddies where put into a pen
Doctor Imsical pretened shes a big 'ol mother hen
she strutted and she clucked then said "put the kids to bed,
they'll be better in the morning cause it's all in their head."

And the next day all the kids where cured except a girl named
Veronica Tregg. She had sixteen brothers and sixteen sisters and
as you can guess her family needed the eggs
