

"Love, Hugs and Kisses"

Words and Music by Monroe Alfrey

I've got lots and lots of love for you.
You've got lots and lots for me.
Like sunshine, smiles and rootbeer floats
and climbing up a big old tree.

I've got lots and lots of hugs for you.
You've got lots and lots for me.
Like jumping in puddles and chasing ducks
or sitting on grandma's knee.

Love, hugs and lots of kisses.
Better than chocolate or fancy french dishes.
Love, hugs and lots of kisses
when they come from you.
