

"Spin Around, Hop Around"  
"Oink, Quack, Moo"

Words and Music by Monroe Alfrey

Little Patsy McGee;  
Spin around, spin around, spin around  
And your brother Timmy McGee;  
Spin around, spin around, spin around  
Spun down to Topher's Grocery Store  
On the corner of Tippy and Eighth  
With a Quarter and a Penny to buy some gum  
And some chocolates and a cherry phosphate

Jeremy MacMullame;  
Hop around, hop around, hop around  
With your best friends Robert and Steve  
Hop around, hop around, hop around  
Hopped down to the fifth street park  
Where they slid down the slide and they swung  
From a rope that was hanging from a sycamore tree  
And they agree this day's been fun

When Kelsey Anne Adams was three  
Fa la la la la la la la la  
That's what she said to me  
Fa la la la la la la la la  
So I locked it away in a box down stairs  
With an Oink and Quack and a Moo  
And I saved it for a special day  
And today I give it to you  
Oh fa la la la la la la la Oink, Quack, Moo
